

Exterior 100% Acrylic Flat Finish Architectural Coating - Premium

Description

Acriglo Exterior Flat is a premium 100% acrylic finish for use on properly primed wood, concrete, masonry, stucco and metal. Provides a tough, flexible matte flat finish with outstanding resistance to chalking and fading. An excellent choice for commercial, institutional, property management and new home construction projects.

Recommended Uses

New or previously painted wood. Properly primed concrete, stucco, masonry, smooth wood and metal.

Colors

White and custom colors to order. Bases: A. D. & P

Packaging

One and five gallon containers
