## **3. COMPOSITION INFORMATION ON COMPONENTS**

| Hazardous Component | CAS Number | Weight % |
|---------------------|------------|----------|
| Titanium Dioxide    | 13463-67-7 | 21.48    |

## 4. FIRST AID MEASURES

| General Advice:                  | No hazards which require special first aid measures.  |
|----------------------------------|---|
| Eye Contact:                     | Rinse thoroughly with plenty of water for at least 15 minutes and consult a physician.          |
| Skin Contact:                    | Wash off immediately with soap and plenty of water removing all contaminated clothes and shoes. |
| Inhalation:                      | Move to fresh air. If symptoms persist, call a physician.                                       |
| Ingestion:                       | Clean mouth with water and afterwards drink plenty of water. Consult a physician if necessary.  |
| Most Important Symptoms/Effects: | None known.   |
| Notes To Physician:              | Treat symptomatically.  |

## 5. FIRE-FIGHTING MEASURES

| Suitable Extinguishing Media:                             | Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.                                |
|---|--|
| Protective Equipment And<br>Precautions For Firefighters: | As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear. |
| Specific Hazards Arising<br>From The Chemical:            | Closed containers may rupture if exposed to fire or extreme heat   |

# 6. ACCIDENTAL RELEASE MEASURES

| 7. HANDLING AND STORAGE    |   |  |
|----------------------------|---|--|
| Methods For Clean-Up:      | Soak up with inert absorbent material. Sweep up and shovel into suitable containers for disposal. |  |
| Environmental Precautions: | See Section 12 for additional Ecological Information.   |  |
| Other Information:         | Prevent further leakage or spillage if safe to do so.   |  |
| Personal Precautions:      | Avoid contact with skin, eyes and clothing. Ensure adequate ventilation.                          |  |

| Handling:               | Avoid contact with skin, eyes and clothing. Avoid breathing vapors, spray mists or sanding dust. In case of insufficient ventilation, wear suitable respiratory equipment. |
|-------------------------|--|
| Storage:                | Keep container tightly closed. Keep out of the reach of children. Keep from freezing.  |
| Incompatible Materials: | No information available   |

### **10. STABILITY AND REACTIVITY**

| Reactivity                         | Not Applicable                           |
|------------------------------------|--|
| Chemical Stability                 | Stable under normal conditions.          |
| Possibility Of Hazardous Reactions | None under normal conditions of use.     |
| Conditions To Avoid                | Prevent from freezing                    |
| Incompatible Materials             | No materials to be especially mentioned. |
| Hazardous Decomposition Products   | None under normal use.                   |

## **11. TOXICOLOGICAL INFORMATION**

| Principal Routes of Exposure: | Eye contact, skin contact and inhalation.  |
|-------------------------------|--|
| Acute Toxicity:               | No information available   |
| Symptoms                      | No information available   |
| Eye contact                   | May cause slight irritation.   |
| Skin contact                  | Substance may cause slight skin irritation. Prolonged or repeated contact may dry skin and cause irritation. |

Product Name: POLYTEC INT/EXT MATTE FINISH Product Code: .5710 Vista Paint Corporation

| Inhalation               | May cause irritation of respiratory tract.                                      |
|--------------------------|---|
| Ingestion                | Ingestion may cause gastrointestinal irritation, nausea, vomiting and diarrhea. |
| Sensitization:           | No information available  |
| Neurological Effects     | No information available.   |
| Mutagenic Effects        | No information available.   |
| Reproductive Effects     | No information available.   |
| Developmental Effects    | No information available.   |
| Target Organ Effects     | No information available.   |
| STOT - single exposure   | No information available.   |
| STOT - repeated exposure | No information available.   |
| Other adverse effects    | No information available.   |
| Aspiration Hazard        | No information available  |

#### Carcinogenicity

The information below indicates whether each agency has listed any ingredient as a carcinogen:.

| Chemical Name                                | IARC                | NTP | <b>OSHA</b> Carcinogen |
|--|---------------------|-----|------------------------|
| Titanium dioxide (If Listed in Section 3.)   | 2B - Possible Human |     |                        |
| ritanium dioxide (il Listed in Section 5.)   | Carcinogen          |     |                        |
| Diphenyl Ketone (If Listed in Section 3.)    | 2B - Possible Human |     |                        |
| Dipriently Retorie (in Listed in Section 3.) | Carcinogen          |     |                        |

• Although IARC has classified titanium dioxide as possibly carcinogenic to humans (2B), their summary concludes: "No significant exposure to titanium dioxide is thought to occur during the use of products in which titanium dioxide is bound to other materials, such as paint."

| Mobility in Environmental Media | No information available |
| Ozone                           | No information available |

### **13. DISPOSAL CONSIDERATIONS**

Waste Disposal MethodDispose of in accordance with federal, state, provincial, and local regulations.<br/>Local requirements may vary, consult your sanitation department or<br/>state-designated environmental protection agency for more disposal options.

|             | 14. TRANSPORT INFORMATION |  |  |
|-------------|---------------------------|--|--|
| DOT         | Not regulated             |  |  |
| ICAO / IATA | Not regulated             |  |  |
| IMDG / IMO  | Not regulated             |  |  |

### **15. REGULATORY INFORMATION**

### International Inventories

| TSCA: United States | Yes - All components are listed or exempt. |
|---------------------|--|
| DSL: Canada         | Yes - All components are listed or exempt. |

### Federal Regulations

#### SARA 311/312 hazardous categorization

Please refer to Section 2 of the SDS for the appropriate EPCRA 311/312 hazard categories.

#### SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). If listed in the table below, this product contains a chemical or chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372:

| <u>Chemical</u> | Name |
|-----------------|------|
|                 |      |

### CAS Number

### None

None

### Clean Air Act, Section 112 Hazardous Air Pollutants (HAPs) (see 40 CFR 61)

Unless listed below, this product does not contain HAPs at 1% or 0.1% or greater. Refer to Section 3 for HAP weight percentage:

<u>Chemical Name</u> None CAS Number None

Vista Paint Corporation

## State Regulations

### **California Proposition 65**

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm at levels less than required for reporting (<0.1%) unless listed in Section 3.
